ACKNOWLEDGMENTS

The New Jersey State Department of Education (NJDOE) gratefully acknowledges the thoughtful contributions and outstanding efforts of the many educators, parents, and citizens who have worked on this project. We especially wish to note with appreciation those who served on the task force that developed this document; our partner organization, New Jersey Network (NJN), and Elizabeth G. Christopherson, NJN Executive Director; and the state’s professional associations, both within and outside the area of language arts literacy.

Language Arts Literacy Curriculum Framework Task Force

TABLE OF CONTENTS

The curriculum resources named in this document are included solely for the purpose of illustrating implementation of the Core Curriculum Content Standards for Language Arts Literacy. It is not the policy of the New Jersey State Department of Education to recommend or mandate specific books and other curricular materials. District educators should base selection of materials on the age, grade, interests, and maturity of their students and on local district policies that have been approved by their local board of education.
